

CBAA 2019 Speaker Spotlight

James Elian

President & COO, AirSprint

James Elian over 20 years of aviation experience, 18 years of which have been with AirSprint, Canada's leader in fractional jet ownership. As a pilot by profession, James has held several operational positions including; vice president of operations, director of flight operations, chief pilot, flight coordination manager, and training captain. James has been president and COO since 2015, where he leads AirSprint's daily operations and implements the strategic direction.

James will be featured on the CEO Panel discussion,
An Insider's Guide to Attracting, Educating and Retaining Top Talent,
Wednesday, July 10th.

No matter if you operate one aircraft or manage seventy, you will find something of great value at CBAA 2019.
