

CBAA 2019 Speaker Spotlight

Nicholas Robinson
Director, Civil Aviation
Transport Canada

Nicholas is responsible for the design and maintenance of a national civil aviation program through policy, guidelines, regulations, standards, education and awareness, in order to achieve Transport Canada's safety priorities. The program regulates all facets of the aviation industry in Canada, including aeronautical products, personnel licensing, training, operating and flight rules, airports, commercial air services, general aviation and navigation.

**Join Nicholas at the Thursday, July 11th panel,
Government and Agency Updates**

No matter if you operate one aircraft or manage seventy, you will find something of great value at CBAA 2019.
