

SPEAKER SPOTLIGHT

Rolland (Rollie) Vincent
President, Rolland Vincent Associates, LLC
and JETNET iQ Creator/Director

Business Aviation Market Overview

Are things finally looking up for business aviation? There is a growing sense that these interesting times are changing. Find out what's in store – and what it means for you -- at CBAA 2018.

Rolland Vincent, a native of Montreal, has almost 30 years of experience in Business, Regional and International Aviation, including with Bombardier, Cessna, Learjet, Flexjet and International Civil Aviation Organization (ICAO). With a background in market research, economics and statistics he has held senior leadership positions in marketing, strategy, business development and consulting.
