

Sterling Aviation Services. A well-established Corporate Flight Attendant Management and Training group, is seeking to fulfill two contract positions in Montreal (YUL) Are you seeking a career in aviation? Do you love to travel and are you always looking for a new challenge? This may be the adventure for you!

Summary of responsibilities:

- Responsible for Pre-flight preparations: The Flight Attendant will be responsible for ordering catering, setting up the aircraft for passenger comfort and making sure the aircraft is in pristine shape for duration of flight.
- In-flight Service: Must be able to deliver, impeccable first-class service to our very elite clientele while maintaining the cabin at its finest standard at all times. Be comfortable with menu selections and plate presentation. You will need to complete and maintain qualifications for Safety Training that is required by Transport Canada.
- Post Flight Support: While on contract, cabin must be groomed and shopping can be required to maintain stock, on board, and catering for duration of contract.

Qualifications:

- Experience as a Corporate Flight Attendant or experience in the high-end service sector is required.
- Valid Canadian passport, Driver's license and credit card.
- Strong customer service and organizational skills. Must be highly detail oriented and have a very hands-on attitude.
- Be able to work under pressure.
- Have a very professional demeanor.
- Must have a very flexible schedule and availability to accommodate client contracts and be able to meet short notice flights.
- Have a high level of integrity and confidentiality.
- Be available for all training requirements.
- Be fully vaccinated for COVID- 19

We are looking forward to meeting candidates, to introduce you to this very exciting career opportunity. Please send your resume and a recent photograph to:
