

CBAA 2019 Speaker Spotlight

Dr. Suzanne Kearns

Associate Professor, University of Waterloo

Dr. Suzanne Kearns is a professor of aviation at the University of Waterloo. She teaches, conducts research, and writes about aviation topics including human factors, safety management, and teaching methodologies. She is the author of many industry and academic articles and has produced four books.

Dr. Kearns will be moderating the CEO Panel discussion,
An Insider's Guide to Attracting, Educating and Retaining Top Talent,
Wednesday, July 10th.

No matter if you operate one aircraft or manage seventy, you will find something of great value at CBAA 2019.
